Residential on 1.22 Acres

Landmark Rolling Green Estate overlooking Interlachen Country Club. A circular brick motor-court leads to the impressive full stone exterior. High ceilings and massive windows feature golf course views from nearly every room. Grand two-story foyer and great room. Spectacular main floor master suite features a fireplace, private library, expansive bath and two very large closets. An additional main floor suite is adjacent. A large kitchen, informal dining room and adjacent family room offer a more casual setting. Upstairs features three bedroom suites, including a suite that was used by Arnold Palmer when visiting the original owner of the home. The lower level is largely unfinished, aside from a large climate controlled wine cellar. The oversized and heated four-car garage has a full epoxy floor. The mature hardwoods provide a perfect canopy and the views are arguably the best in the neighborhood.

Built in 1996
