3 Bedroom, 2.00 Bathroom, 1,495 sqft  
Residential on 0.55 Acres

Reg Land Surv 1075, Hopkins, MN

This stunning mid-century home is brimming with character and charm throughout its cheery, sun-drenched rooms. A gorgeous brick fireplace takes center stage in the spacious living room as well as the kitchen, but you might find yourself spending more time relaxing in the sunroom overlooking the deck, and surrounded by lush ferns and deciduous trees. The master bedroom has its own en suite, and there's a home office for remote or hybrid workers who crave a dedicated space and few interruptions. There's also a two car garage, with an additional shed in the backyard to store additional yard tools and equipment. This property is adjacent to the beautiful Oakridge Country Club, and still has a lovely, secluded feel, despite also having easy access to Highways 169 and 7. Several grocery and retail stores are just five minutes away, as are multiple green spaces. New carpet and fresh paint throughout!

Built in 1953
